**Re: COVID-19 Vaccines & What "This Is A Bio-Attack Alert," Says About Vaccines**  
\*\*\*\*\*

**Honorable Lloyd J. Austin III,**

**Congratulations on your new assignment as U.S. Secretary of Defense**

I'm sending you this letter regarding the Truth about Vaccinations Programs, exposed by Dr. Robert B. Strecker and Attorney Theodore A. Strecker, who submitted the Historic Document, **"This Is A Bio-Attack Alert"**, March 28, 1986, to the NSA, FBI, CIA, Senate, Congress, President, Vice-President and the Governors of the States. That document, with reference documents, was a clear indication the U.S. has been infiltrated within the Medical Groups such as the NIH, IARC, American Cancer Society and others, using Vaccinations Programs to Spread Diseases.

Please take the time to read, **"This Is A Bio-Attack Alert"** and have people you trust pull The Strecker Group Reference List and the references in that document.

For a moment imagine, "What If America has been infiltrated and these Vaccinations Programs are being used to destroy America and its Armed Forces"? What if You gave the Command For All Military Personnel To Receive Experimental Vaccines and suddenly American Forces became defenseless due to illness from vaccines?

After over 30 years of Private Health Research I've learned, the Cures & Remedies for All Diseases have been Suppressed because the Medical Industries, Doctors, Scientists, Insurance Companies and Health Support Agencies All Have One Thing In Common, **"THEY DO NOT WANT TO BE DEFUNDED"**.

**Please don't get caught in someone's "TRICK BAG". (See USB Drive Attached)**

Most of my Private Research and Suppressed Cures, letters to Politicians' are on Archive.org, Search, John Burns UMOJA Research.

**GOD SPEED, To You, Your Loved Ones and America's Service Men & Women**
